

## Rocco and Troubled Jerry

ROCCO

Well your parents are nuts.

TJ

Hey! A relative term here.

ROCCO

You may have absorbed some weird or immature patterns.

TJ

Yeah but I'm finished blaming them. It got tired.

ROCCO

My cue to say a golden phrase to put you instantly on rail.

TJ

What rail? It's 30th Street Station!

ROCCO

Where you'll grab the R5 someday to  
Ardmore and your new, plump wife!

TJ

Hold that thought! Not only is it positive, it's pretty.
